**Comment:** When inserting text in the table cells for the number of sheets, Attorney Docket, last row of U.S. Patent documents, or last row of Foreign Patent Documents, make sure the insertion point is after the "ADV" code in each cell. The "ADV" codes are needed so that the text in these cells will not rest on the heavy border of the tables. If you need to add or delete rows, do so before the last row. Also note that separate tables were created for each section of the PTO-1449 to facilitate use and editing of the form.
